How long have you been involved with TRC?

This is my second year with TRC. I don't know what took me so long to join; Nashville is awesome!

What is your favorite thing about TRC Meetings?

I really enjoyed this last meeting at Top Golf and the extended breaks with socializing encouraged. The bingo game was also great for meeting and interacting with the group.

Who is your current Employer and what is your role?

I work for Colonial National Mortgage. In my role as relocation division manager, I wear many different hats from sales to daily business operations. I help outline the service expectations and measure our performance to make sure we are always living up to those standards. I am here to support my team, transferees and their families, our clients, and our clients' clients.

What's the best thing about your role?

I'm not sure I can come up with a single best thing about my role with Colonial. I enjoy the challenges of mortgage banking and corporate relocation. I really enjoy the people I work with and our clients. I also get to travel, entertain, and play golf on the company expense account...not too shabby!

How many cities have you lived in?

I very likely am forgetting at least a city along the way, but I believe I've lived in six cities and only two states in my life. My parents were in new home construction and real estate most of my life, so we did move roughly 15 times before I graduated high school, but they were all in the same city

What's the last song you listened to?

That one changes all the time. I usually have music playing at my desk or while I'm in my car. Bastille's Wild World is playing currently, so I'll stick with that answer.

What's the best vacation you have ever taken and why?

I took a two-week vacation with my family to Costa Rica when my kids were 8, 9, and 13. My wife and I brought her mother and her aunt along as well. We alternated days between having a plan and having no plan at all. It was wonderful and the kids still talk about how much fun that was.

Which store would you love to win a shopping spree from?

Apple was my first thought, but I think Best Buy would be the best place. I could get way more stuff plus some Apple goodies at Best Buy!!

Name one thing on your Bucket List.

I have always wanted to win the Mega Millions Lottery. I guess that would be my main bucket list item. From there, I would continue working and....No, no I wouldn't.
