Andrea “Andi” Parker
Executive Vice President
Air Animal

My name is Andrea “Andi” Parker and I am a native Floridian from Tampa. Moving pets has been a part of my life since I was 16 years old when Air Animal was founded by my father/veterinarian. I took a different path for a while, becoming an elementary school teacher, assistant principal and built and taught specialized parenting classes. My degrees are in Elementary Education and a master’s degree in Educational Leadership.

2018 TRC Board of Directors Nominees

In 2006 I got involved in Air Animal, working behind the scenes. Then in 2015 my husband Ron and I moved back to Tampa to be a part of the day-to-day operations [my father's succession plan]. Now my days are filled with talking with pet parents about relocating their "fur babies" and reassuring them that we are the company for *Pet Moving Made Easy*®. I also supervise employees and take care of accounts payable.

I served on the Southeastern Regional Relocation Council [SRRC] Board of Directors from 2011-2014. I was chairperson for conference logistics, coordinating with the hotels, meals, transportation and more. I served as SRRC Vice-President in 2012 and President in 2013. My fourth year was spent on the Advisory Board, but I was also responsible for retaining and gaining conference sponsors. I feel I would be an asset to the Tennessee Relocation Council!
