

2023 Spring Conference
Nashville City Club, Nashville, TN
April 20th, 2023

9:00 – 10:30 – Corporate only Roundtable

Corporate members and potential corporate members: Join your global mobility peers in this safe space to discuss their programs and challenges. Work through potential solutions and learn from those who sit in your seat.

9:30 – 10:30 – Registration and Supplier Networking

10:30 – 10:45 – Break

10:45 – 11:00 – Welcome and Opening Remarks

11:00 – 12:15 – US Domestic Global Mobility Panel

Moderator: Robert Brizuela – Chewy

Panel Speakers: Lindsey Sells – Auto Zone; Lara Jenkins – Kimberly-Clark; Katie Geoghegan – Marriott

What's keeping you up at night? High mortgage interest rates? Inventory concerns? Cost Control? Join us as our panel of experts discusses how they are re-evaluating their US Domestic Programs to help reshape the future of mobility. What best practices are they considering as the housing market changes and what are they focusing on for 2023?

12:15 – 1:15 – Lunch

1:15 – 1:45 – Oasis Center Snack Packs

As supplier partners, we depend on one another to get the job done for our clients. Let's get together to share experiences, discuss today's environment and create some potential solutions. We're all in this together! We'll also be volunteering for a great cause by assembling snack packages for The Oasis Center, a non-profit organization that assists homeless teens in Nashville.

1:45 – 3:00 – International Global Mobility Panel

Moderator: Mark Bicocchi – Hilton

Panel Speakers: Eileen MacDonald – Thermo Fisher Scientific; Neil Helene – Newmont Mining; Andrew Jackson – WarnerBros Discovery

So many hot topics on the international front! Our esteemed panel will kick it off by talking about their key areas of focus for 2023 and beyond; from the critical services needed to ensure assignment success to balancing cost reduction initiatives with talent retention. We'll also look at remote work – what is a digital nomad? We'll close out this session with a discussion on current and future initiatives and how our panelists have been able to show the value of global mobility to their leadership teams.
